Paul Walton

Plaintiff,

AMENDED
COMPLAINT

-against-

1:16 CV 01989 (ENV) (LB)

Katie Ringer, Esq, et al.

Defendants.

The plaintiff/petitioner Paul Walton being duly sworn, affirms & declares under penalty of perjury, & states that I requested to be allowed to amend my federal lawsuit because I'd like to strengthen it by clarifying those to whom I am suing in both their individual & official capacities, & to broaden or increase & jointly correct those to whom I am in fact suing. I'd like to now state that I am suing for: (A) libel, (B) slander, (C) defamation of character, (D) ineffective counsel, (E) conspiracy, (F) failure to protect, (G) excessive use of force, (H) assault & battery, (I) negligence, & (J) wrongful arrest & wrongful imprisonment, & (K) unlawful & wrongful detention,

(L) fraud, [REDACTED] (N) violating my constitutional rights to testify before the grand jury when I requested this & desired such &

(O) violating my rights to due process when I wanted also a special trial but my atty stated I was refusing my 30.30 rights to such. I must state that I also am suing for (P) emotional distress (Q) mental anguish & (R) pain & suffering.

This all begin with defendant Thomas Smith of St. John's Episcopal Hospital, & 3 other security guards at this hospital all began to say with this nurse that I had to be admitted there & stay unwillingly after I simply came there to refill my medication of abilify on 1/21/15. When I being upset about this began to refuse & complain this security

(S) medical malpractice.

pg 6 named Thomas Smith along with the other 3 security guards ^{& battered} assaulted me & roughed me up and all began holding me down stating I was going to be given an unnecessary shot for behaving uncompliant. As they all while using excessive force manhandled me this male nurse pulled down my pants & wrongfully & against my will gave me a shot in the butt as Thomas Smith this security guard who kept painfully holding me down lying screamed out as absolutely clear slander that I'd bit him & that he'd heard me say I've got the H.I.V. sickness.

He being the great thespian/actor that he was comparable to Sidney Portier along with his fellow phony security guards who were all on the hospital's cameras when this happened conspired to have me wrongfully arrested, & to the have the cameras eventually deleted with their fellow corrupt security guards. As a result of this I was wrongfully imprisoned after I got ^{wrongfully} arrested with false charges of 2nd & 3rd degree assault, attempted assault, & 2 degree harassment. Since then I have been not only unlawfully detained at Rikers Island in the A.M.K.C. C95 Bldg, but for close to 2 yrs I have been set up as libel, slander, & defamation of character by these 3 psychiatrists & shipped back & forth to the Mid-Hudson Forensic Psychiatric Center.

These psychiatrists names are Dr. Steven Rubel, Dr. ^{Alan} Perry & Dr. Claude (or Claudia) Francois & they & my 1st atty named Katie Ringer all conspired to unlawfully detain me wrongfully by 3 ~~boous~~ C.P.L. 730.30 exams that were ^{all} fraudulent in their conclusions. By these & other things my 1st atty Katie Ringer not only by wrongfully asking for C.P.L. 730 exams against my wishes & real need purposely violated my rights to a speedy trial, but also she lyingly as clear libel & slander stated that I was refusing my right to go in front of the grand jury which could have I feel gotten my case throw out altogether, or knocked down at worse to a misdemeanor of obstruction of admistration. See Exhibit A on page 4.

Due all of this nonsense done to me & time taken away from my family who I love, & the outside world I am also suing for emotional distress, mental anguish, & have truly experience much pain & suffering due to this entire fiasco of not only emotional & mental but physical. As a result of these 3 psychiatrists & Katie Ringer my 1st atty etc., causing me to come to Mid Hudson Forensic Psychiatric Center I have experienced being brutalized & assaulted & battered by the Security

pg 7 Hospital Treatment Assts named Mr. Plaza, Mr. David [redacted] Vasquez & Mr. Petty who all gang assaulted me here & viciously slammed my face into the concrete ground attside in the pouring rain.

I am accusing these 3 psychiatrists & Katie Ringer & these 3 Security Hospital Treatment Assts of all being involved in negligence in their acts that led to this unnecessary chain of events by me coming to Mid-Hudson Forensic Psychiatric Center in the 1st place, but also Katie Ringer's acts of refusing to have me brought in front of the grand jury is clear failure to protect & the other SHTAs at this hospital here who allowed me to be pummeled are also negligently involved in failure to protect me as are these actual assaultive SHTAs who are supposed to ensure my safety, & security here. I am requesting by federal law due to the directly connected nature of this brutal assault & battery that left my entire eye swollen on the right to sue them in the U.S. Eastern District Court on this lawsuit although this hospital is in the U.S. Southern District not too far from this jurisdiction.

If allowed to do so the persons that I would be suing are not only the 3 SHTAs ^{shown} above, but also I am suing for negligence & medical malpractice due to this [redacted] Dr. Steven Rubel & Dr. Alan Perry, & Dr. Claudel (or Claudia) Francois who all either wrongfully & unnecessarily committed libel, fraud, & slander by claiming that I needed C.P.L. 730.30 exams in the 1st place & falsely ruled that I failed these, & could not assist my atty in my own defense. For all of this I am demanding \$15 million, & requesting that I be given a jury trial, & jointly requesting that the court allow under federal law for my assailants at Mid-Hudson Forensic Psychiatric Center in Orange County NYS Southern federal District to be sued on this lawsuit at this court in NYS' U.S. Eastern District Court. I request all of these things & pray for victory in my request for a speedy trial as well that announce ready to go to trial on now. Thank you & I am also suing D.A. Richard Brown of Queens County for conspiracy to have me detained 3 times wrongfully on 3 totally unnecessary C.P.L. 730.30's & him, and Katie Ringer for equal protection.
